### END OF SESSION — SF 2059 — PROPERTY TAX ASSESSMENT, ELECTRONIC DELIVERY OF NOTICES

**Description.** [Senate File 2059](#) authorizes county assessors to deliver assessments, notices, and other information by electronic means if the recipient has requested electronic delivery. The Act applies to assessments, notices, or other information on or after July 1, 2018.

**Fiscal Impact.** [Senate File 2059](#) has no State fiscal impact. Counties that choose to offer electronic delivery will experience cost reductions over time. Those reductions cannot be estimated because the number of counties that will choose to offer electronic delivery and the number of property owners who will request electronic delivery, where available, are unknown.

**Enactment Date.** The Act was approved by the General Assembly on March 5, 2018, and signed by the Governor on March 15, 2018.
